Comfort from Our Family to Yours...Since 1994

What we value:

Our lives are so hectic that it is difficult to take the time to reflect and process our choices so that we can make good decisions. In a recent daily meditation, these words hit home with me: "Busyness has stolen your focus. You have forgotten to breathe." In my rush to accomplish way more than is humanly possible, I find myself becoming inefficient—I forgot a step, got distracted with another task, made an error, and the list goes on.

So this summer, we at Comfort Master invite you to take a moment to just breathe and celebrate life and the opportunities to be in relationship with your family and friends. There is nothing better. This relationship transfers over into our team's desire to have a great relationship with each of our customers and to care for your comfort, safety and energy savings as we would care for our own family.

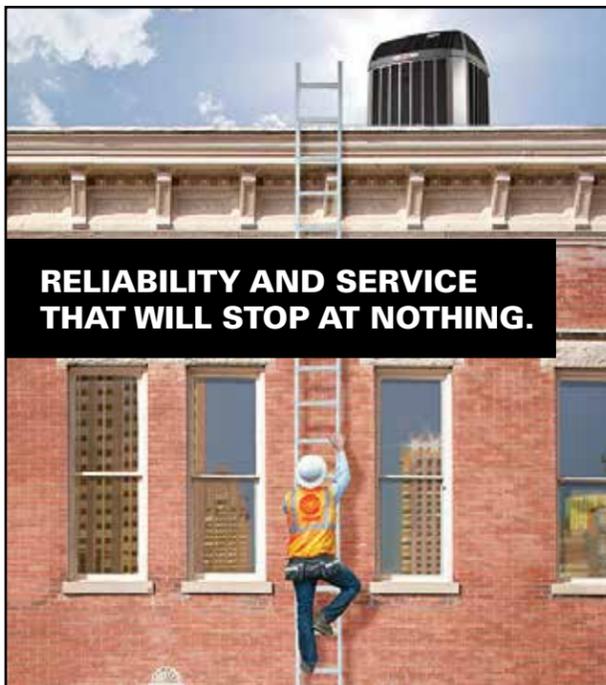

I believe the way we can breathe and relax is to have trust in those we choose to serve us. Tommy and I feel very strongly that the best way we can protect and care for each customer is to make you a part of our Comfort Club family. While your investment in this membership does not make Comfort Master financially rich, we have peace of mind in knowing that your twice yearly system tune-ups ensure that you have a system that is working efficiently, properly and is safe to operate. From this knowledge, you have peace of mind and can just BREATHE. Have a wonderful summer!

"Thank You!"

A ROUND OF *applause*

Experience with Comfort Master has been great from the initial contact with Greg to the installation completed by Ismael and Jun. I had 2 heat pumps replaced and Greg carefully explained all of my options in an easy to understand way. He also did a complete load study to make sure my existing units were sized correctly. Before leaving he left me with estimates on 4 systems and said he would check later for a decision. There was no pressure to make an immediate decision. Ismael and Jun were very professional and at the end of both days, except for having a new system, it was hard to tell they had been present. Great care was taken to make sure that nothing was damaged and that everything was clean and in better shape than when they arrived. I would definitely recommend Comfort Master to anyone needing a new heating or air conditioning system. — Bob S.

protected?**

Surge protection is an inexpensive way to take care of your system.

Unlike other forms of surge protection that require a monthly fee, this is a one time investment that protects the most expensive operating equipment in your home. Also, it comes with a 3-year, \$7,500 connected equipment warranty!

“When we began our company, we had a key goal to guide us which was: improving the comfort and safety of our customers’ homes. We have not wavered from that commitment and in the very early years established our Comfort Club service and maintenance membership. We wanted to keep the systems we serviced and installed working as efficiently and trouble free as possible through routine maintenance. In reviewing the systems of our Comfort Club customers who kept their system in tip top shape, we found that they experienced fewer breakdowns and their system lasted longer. We invite you to experience those same benefits and peace of mind by taking advantage of this great worry-free way to keep your home comfortable and safe.”

BOBBY WATKINS

COMFORT CONSULTANT

Bobby joined Comfort Master two years ago after a long career in school curriculum sales. He is a dedicated, loyal, hard worker who is unstinting in his customer care no matter the time of day or day of the week. Customers love his caring detailed recommendations and have given him numerous great reviews with words such as: communicated, listened and cared. Bobby lives in Knightdale with his wife, Kathy, and has two children. He is very devoted to his church and family and works hard to live the golden rule daily. We are glad to have Bobby as a member of our team!

Lynn's Tailgating French Toast with Praline Topping

French Toast:

- 1 large loaf French bread
- 8 eggs
- 2 c. half and half
- 1 c. milk
- 2 Tbsp. sugar
- 1 tsp. vanilla extract
- ¼ tsp. cinnamon
- ¼ tsp. nutmeg

Cut loaf into 1" slices (approx. 20), layer on slant in two rows in 9x13 baking pan. Mix well the rest of ingredients and then pour mixture over the bread slices making sure all of the bread is covered. Cover with foil and refrigerate overnight.

Praline Topping:

- 2 sticks butter melted
- 1 c. packed light brown sugar
- 1 c. of chopped pecans
- 2 Tbsp. light corn syrup
- ½ tsp. cinnamon
- ½ tsp. nutmeg

Mix all ingredients together and spread the topping over the bread. Bake in preheat oven at 350 degrees for 40 minutes. Store in insulated container until served with syrup.
